About Advanced Heating and Air

We are a family-owned business with experience providing quality service to Maple Grove and the surrounding areas in Minnesota for the past five years. As a fully licensed and insured HVAC (heating, ventilation, and air conditioning) contractor, we take our dedication to the community very seriously when it comes to the products and services we provide. While staying up to date with the latest technologies, we ensure that everything we offer is the safest, most reliable, and efficient in the industry. We take great pride in the commitment we make to our customer's comfort. The focus is on doing it right, so we only do it once—that's the Advanced way!

100% Satisfaction Guarantee!

- Your technician will be professional, uniformed, and qualified to work on your equipment.
- We will take extraordinary care in your home.
- We will provide you with a quote for repairs before we start any work.
- Our technicians will follow a stringent quality assurance task list to ensure a complete and thorough service call each and every time.

“Dirt and neglect are the top causes of heating and cooling system inefficiency and failure. To ensure energy efficient system operation, it is important to perform routine maintenance. Proper maintenance by a qualified technician is one of the most important steps you can take to prevent future problems.”
